ENGAGE | DEVELOP | GIVE | EMPOWER

Launched in 2009 as a program of the Sacramento Metro Chamber, Metro EDGE

represents the best and brightest up-and-comers in the Sacramento region. You know, the tech-savvy social-media mavens. The green-conscious innovators and entrepreneurs. The texters and the Tweeters. The movers and the shakers. Rooted in over a century of the Metro Chamber’s commitment to the creative and economic development of Sacramento, Metro EDGE stands as a beacon for the area’s future business leaders. Did you know that with 2.2 million people, the River City is California’s fourth largest metropolitan area? And it’s growing. At Metro EDGE, we are that growth. We are that future. And our plans are simple:

- > Cultivate Sacramento’s next generation of leaders through professional development
- > Take regional action by speaking up and giving back to our amazing community
- > Provide crucial networking events designed to give members a boost in the development of their careers

It’s a great time to be young. And it’s an even better time to be in Sacramento. Don’t miss the opportunity to engage with this dynamic new program through sponsorships. Please contact Stefanie Gliko at sgliko@metrochamber.org to reserve your sponsorship and discuss customizable packages.
